2024

Sponsored by

coNNection day 2024

When 7 May
9am – 5pm

Where La Farga Congress
L'Hospitalet del Llobregat

Growing since the first edition

The benchmark event for B2B connections in the health sector is growing, larger venue and wider timetable

Why? Network and showcase

Connecting with companies and organisations from the ecosystem and explore synergies and opportunities for collaboration.

An **exhibitors' area** will be set up where organisations can promote themselves and encourage partnering with other attendees.

Complemented by **sessions to present health business initiatives** and a specialised **job market**.

For

- »» All types of **companies** in the health sector:
 - »» biotech »» medtech »» pharma »» digital health »» services
- »» **Knowledge generators** who want to valorise their technology and/or innovation.

**+400
attendees**

**+80
exhibitors**

**+160
meetings 1 to 1**

**+10
startup pitches**

**Job
marketplace**

Study on investment in the Life Sciences and Healthcare industry in Catalonia

The study is an initiative of CataloniaBio & HealthTech in collaboration with EY.

The study has become a reference document on investment in the ecosystem.

Data will be obtained through direct surveys of CataloniaBio & HealthTech member, as well as EY's international databases.
